

Hearing Loss?

Need help with your hearing loss? Wonder about new technologies? Need coping strategies?

We can help. We offer once-a-month peer in person support meetings with a presentation by a hearing help expert. Additionally, we help each other by sharing what works to navigate hearing loss. We also offer monthly Zoom meetings. Email us for the meeting link.

Our meetings are captioned so you won't miss a word. Meetings are fun, free, and open to all. Join us.
