Our May presenter is from Dr. Leslie Balderas of Applied Hearing Solutions, in Phoenix Arizona. Her presentation will focus on understanding your audiogram to better understand your hearing loss.

Dr. Leslie Balderas was born and raised in Phoenix, Arizona and attended Arizona State University for both her

undergraduate degree in Speech in Hearing Science and her Doctorate in Audiology.

She holds her Certificate of Clinical Competence from the American Speech-Language-Hearing Association and is a member of the American Academy of Audiology. Dr. Balderas loves working at Applied Hearing Solutions because of their commitment to following Best Practices and Person-Centered Audiologic care. She has a passion for adult diagnostics and amplification.

When she isn't treating hearing loss, you can find her volunteering around Phoenix, buying more plants for her apartment, or watching sports with her friends and family.

Pack a lunch (brown bag) and we'll learn about your phone apps and other technology from 12:00 - 12:45 p.m. Dr. Balderas' presentation starts at 1:00 p.m. The meeting ends at 2:30 p.m.

There is no charge for the meeting.

Meetings are amplified and the room has an induction loop system. Captions are provided for the speakers's presentation.
